CSD REGISTRATION SUMMARY REPORT

The "Overall Tax Status" field indicates the compliance status of the tax information submitted. However, as this supplier does not have an identifying number (like a South African ID number, or Company Registration number, or Trust number) linked to their tax details at SARS, the CSD system cannot electronically verify that the tax reference numbers belongs to the specific supplier. The risk is however partially mitigated by the SARS Tax Compliance Status (TCS) PIN Number, successfully provided by the Supplier. The supply chain practitioner is however still responsible to obtain supporting documentation to verify that the tax reference numbers belongs to this supplier.
